

18.84.070:

**STORAGE OF COMMERCIAL VEHICLES IN RESIDENTIAL ZONES
PROHIBITED:**

The storage of commercial vehicles over ten thousand (10,000) gross vehicle weight (except farm trucks) and the storage of construction equipment such as bulldozers, grader, cement mixers, compressors, dump truck, etc., shall not be permitted on any lot in any residential zone, except that construction equipment may be stored on a lot during construction of a building thereon, but not to exceed one year. (Ord. 2002-05, 3-20-2002)
