

## **15-6 -7. MASTER PLANNED AFFORDABLE HOUSING DEVELOPMENT.**

(A) **PURPOSE.** The purpose of the master planned Affordable Housing Development is to promote housing for a diversity of income groups by providing dwelling units for rent or for sale in a price range affordable by families in the low-to-moderate income range. This may be achieved by encouraging the private sector to develop Affordable Housing.

Master Planned Developments which are one hundred percent (100%) Affordable Housing, as defined by the housing resolution in effect at the time of Application, would be considered for a Density incentive greater than that normally allowed under the applicable Zoning District and Master Planned Development regulations with the intent of encouraging quality Development of permanent rental and permanent Owner-occupied housing stock for low and moderate income families within the Park City Area.

(B) **RENTAL OR SALES PROGRAM.** If a Developer seeks to exercise the increased Density allowance incentive by providing an Affordable Housing project, the Developer must agree to follow the guidelines and restrictions set forth by the Housing Authority in the adopted affordable housing resolution in effect at the time of Application.

(C) **MIXED RENTAL AND OWNER/OCCUPANT PROJECTS.** When projects are approved that comprise both rental and Owner/occupant Dwelling Units, the combination and phasing of the Development shall be specifically approved by the reviewing agency and become a condition of project approval. A permanent rental housing unit is one which is subject to a binding agreement with the Park City Housing Authority.

(D) **MPD REQUIREMENTS.** All of the MPD requirements and findings of this Section shall apply to Affordable Housing MPD projects.

(E) **DENSITY BONUS.** The reviewing agency may increase the allowable Density up to twenty (20) dwelling units per acre. The Unit Equivalent formula will be applied, provided that Hotel Rooms, Hotel Suites, Lockout, and other arrangements for transient lodging purposes are not permissible in taking advantage of the moderate income Density bonus.

(F) **PARKING.** Off-Street parking will be required at a rate of one (1) space per Bedroom.

(G) **OPEN SPACE.** A minimum of fifty percent (50%) of the Parcel shall be retained or developed as open space. A reduction in the percentage of open space, to not less than forty percent (40%), may be granted upon a finding by the Planning Commission that additional on or Off-Site amenities, such as playgrounds, trails, recreation facilities, bus shelters, significant landscaping, or other amenities will be provided above any that are required. Open space may be utilized for project amenities, such as tennis courts, swimming pools, recreational Buildings, pathways, plazas, etc. Open space may not be utilized for Streets, roads, or Parking Areas.

(H) **RENTAL RESTRICTIONS.** The provisions of the moderate income housing

exception shall not prohibit the monthly rental of an individually owned unit. However, Nightly Rentals or timesharing shall not be permitted within Developments using this exception. Monthly rental of individually owned units shall comply with the guidelines and restrictions set forth by the Housing Authority as stated in the adopted affordable housing resolution in effect at the time of Application.

*(Amended by Ord. No. 06-22)*
