

11-6-313 Types of Signs

(11) Drive through lane sign

Sign Districts where Allowed – drive through lane signs are permitted in Sign Districts A, B, C, D, E, and F.

Permit Required – A sign permit is required.

Area – Forty (40) square feet on a one-sided sign whose face is directed toward the drive through lane.

Location – One (1) drive through lane sign is allowed per drive through approach lane. Such sign must be within ten (10) feet of the drive through lane and be setback at least twenty (20) feet from any public street right-of-way. Drive through lane signs must meet landscaping standards of low profile signs in the General Provisions of this article.

Height – a drive through lane sign may not exceed eight (8) feet in height as measured from the surface of the drive through lane.
