

Section 15.08.1070 Off-street parking and loading.

- A. All uses in this zone shall require plan approval per Section 15.08.410(A).
- B. All required front yards shall be landscaped and maintained as specified in approved site plan.
- C. Temporary retail uses may be allowed for a maximum of six months. Renewals may be granted by the Enforcement Officer provided there have been no adverse affects of the use. Temporary buildings must meet the provisions of the currently adopted edition of the Uniform Building Code and must be sufficiently anchored to withstand a one hundred (100) mile per hour wind. (Ord. 1-1985 § 17-5)
