

5.11.8 Improvement Requirements

The following improvements shall be installed in the developments, provided that where a particular improvement is inapplicable for the project proposed, the County may waive the requirement. All required improvements shall meet minimum County standards and shall be completed within one year from the date of final approval of the project by the County Commission; except that, upon a showing of good and sufficient cause, the County Commission may authorize an extension of the time limit for a period up to six (6) months. Financial assurances guaranteeing the construction of all required improvements shall be required as a condition of approval. Said assurances shall be in accordance with the provisions of [Section 7](#).

- A. Streets, driveways, and off-street parking areas.
- B. Drainage and flood control structures and facilities.
- C. Water and sewer mains, both on-site and off-site.
- D. Culinary water supply and domestic sewage disposal facilities.
- E. Fire hydrants.
- F. Gas, electric, and telephone lines.
- G. Landscaping in the open space area.
- H. Fences, walls, and all other common areas, facilities, systems, and structures proposed for the development as shown on the final plans.
- I. Common storage area (when applicable).
- J. Overhead lighting.

Developers may install other improvements; however, the construction of other improvements shall not be required as a condition of approval of a mountain recreation development.
