

13-4-4 Domestic Sewage Disposal Requirements

Each lot shall be served by a central sewage disposal system or by individual waste water disposal systems which have been approved by the local health authority as evidenced by a written statement therefrom. Where individual disposal systems are to be used, the statement from the health authority shall indicate that tests were conducted on each lot and that all lots meet minimum standards for individual waste disposal systems. No final plat shall be approved which contains one or more dwelling sites for which individual systems are determined to be unsuitable. *(Res.10-3-84A)*
