

**16-01-390 Exceptions of Height Limitations.**

Penthouse or roof structures for the housing of elevators, stairways, tanks, ventilating fans or similar equipment required to operate and maintain the building, and fire or parapet walls, skylights, towers, steeples, flagpoles, chimneys, smokestacks, water tanks, wireless, radio, or television masts, theater lofts, silos, energy generation and conservation apparatus, or similar structures may be erected above the height limits herein prescribed. Nonetheless no space above the height limit shall be allowed for purposes of providing additional floor space, nor shall such increased height be in violation of any other ordinances or regulations of the county.
