

16-05-060 Signs Allowed Without A Permit

(a) THE FOLLOWING SIGNS ARE ALLOWED IN ANY ZONE (except on public property) DISTRICT WITHOUT THE REQUIREMENT OF A SIGN PERMIT.

(1) Directional or Instructional Signs. Signs which provide direction or instruction and are located entirely on-premise and which do not in any way advertise a business shall not exceed 4 square feet in area or 4 feet in height. These signs may identify rest rooms, public telephones, walkways; or shall provide direction such as parking lot entrance and exit signs and those of a similar nature.
