

19.38.070 Side yard.

In the R-2-10C zone, the minimum side yard for any dwelling shall be five feet, and the total width of the two required side yards shall be not less than eighteen feet. Other main buildings shall have a minimum side yard of twenty feet, and the total width of the two side yards shall be not less than forty feet. The minimum side yard for a private garage shall be five feet, except that private garages and other accessory buildings located in the rear and at least six feet away from the main building may have a minimum side yard of one foot, provided that no private garage or other accessory building shall be located closer than ten feet to a dwelling on an adjacent lot. On corner lots, the side yard which faces on a street for both main and accessory buildings shall be not less than fifteen feet on state highways or five feet on other streets. (Prior code § 22-20-6)
