

10-15-7: FENCES SURROUNDING DEVELOPMENTS:

Fences surrounding developments having no individual lot frontage such as in RV parks, subdivisions on limited access streets and planned developments larger than one acre in size, may have a solid fence in the front setback area to a height of six feet (6'), except that such fence shall be reduced to three feet (3') at driveway entrances in the same manner as required for intersections in subsection [10-15-3B](#) of this chapter. (Ord. 2001-815-O, 12-17-2001, eff. 12-17-2001)
