

10-20-1: PURPOSE:

The purpose of this chapter is to protect the general public from geologic, flood or other natural hazards that might be detrimental to the health, safety and general welfare of the residents of the county. Any application for a conditional use or building permit which has, in the opinion of the building official, potential soils, earthquake, flood or other discernable hazards or adverse environmental impacts may be required to provide a report addressing such hazards or impacts.
